

Lowest to highest

Carefully cut out the coin pictures below, then glue them onto the next page, in order from lowest value to highest value.

Lowest to highest

Glue the coins along the line, in order from the lowest value to the highest value.

A horizontal line is drawn across the page, flanked by vertical end caps. Below the left end cap, the text "Lowest value coin" is written. Below the right end cap, the text "Highest value coin" is written.
