

Shapes, sizes and colours

Australian coins do not all look the same.
They are different shapes, sizes and colours.
This helps people to recognise each coin.

The 'cent' coins are a silver colour and
the 'dollar' coins are a gold colour.

Dollar Coins

Cent Coins

In the boxes below, trace around each coin to
show the difference between their shapes and sizes,
then colour each coin the correct colour.

Five cent coin	Ten cent coin
Twenty cent coin	Fifty cent coin
One dollar coin	Two dollar coin
