2019 MINTMARK COLLECTION

Australian Bushrangers

The Royal Australian Mint is proud to present the 2019 Mintmark Suite of uncirculated and proof coins, which bring to life colonial Australia and the impact of the Australian Bushranger on today's culture, history and folklore. The packaging includes captivating illustrations and stories featuring the Kelly Gang, Mary Ann Bugg and Captain Thunderbolt. Their anti-establishment stance, courage under fire and sympathy for the underdog have become characteristic of the Australian 'larrikin' identity.

Collect them all to learn about the bizarre exploits that created Australian legends.

2019 SIX COIN PROOF SETS

Last of the Ian Rank-Broadley Effigy

The fifth effigy of Her Majesty Queen Elizabeth II to be used on Australian coins was introduced in 1998. British sculptor Ian Rank-Broadley produced the effigy, which at the time was noted for its natural realism and lack of artistic embellishment. In 2019 the Royal Australian Mint is transitioning from the Rank-Broadley effigy to the new Jody Clark Commonwealth effigy. 2019 is the last year that the Mint's magnificent gold and silver year sets will feature the Rank-Broadley effigy.

This will be the end of an era for Australian currency – numismatists and coin enthusiasts will value this stunning year set. Secure yours today!
