

# \$ and c

It is important to include the \$ or c symbol when writing a money value.

The cent symbol is a lower case **c** and is written **after** the number. For example:

5c            10c

Trace the **c** symbols and then write some on your own.

Now practise writing **c after** the number.

The dollar symbol looks like this \$ and is written **before** the number. For example:

\$1            \$2

Trace the \$ symbols and then write some on your own.

Now practise writing **\$ before** the number
