

Exchange rate – option 2

Name/s: _____

In the table you will see the top ten countries of birth of people who are living in Australia, but were born overseas. In the second column write the name of that country's currency and in the final column, record what that currency is worth in Australian dollars (you can find currency converters online).

Country	Name of currency	Value in Australian dollars
United Kingdom		
New Zealand		
China		
India		
Italy		
Vietnam		
Philippines		
South Africa		
Malaysia		
Germany
